**DisabilitySupporters.org Hosts Exclusive Webinar with Fred C. Trump III:
A Candid Conversation on the Relationship with His Uncle Donald J. Trump, and Fred's Disabled Son**

Ocean View, Delaware – October 21, 2024 – DisabilitySupporters.org is excited to announce that actor, comedian, and disability advocate, Danny Woodburn, will be a special guest star by a video he created specifically for this exclusive webinar featuring Fred C. Trump III, author of *"All in the Family: The Trumps and How We Got This Way,"* and nephew of former President Donald J. Trump, on October 23rd from 7:00 PM to 8:00 PM. In this intimate event, Fred Trump III will share the deeply personal story of his 25-year journey raising a developmentally disabled son, William born with a rare seizure disorder and a KCNQ2 genetic mutation, while navigating complex family dynamics.

The event, hosted by [DisabilitySupporters.org](#), will provide attendees with a rare opportunity to hear Fred's firsthand account of a conversation in which Donald Trump allegedly told him, "Your son doesn't recognize you, let him die, and move down to Florida," when asked to help replenish a medical fund for William's care. The medical fund was only necessary because Donald cut out his brother's son, Fred, from his rightful inheritance.

Following the main discussion, attendees will have the opportunity to engage in a Q&A session with Fred Trump III.
